Features

Geometric banded bowl pendant is available in 25" and 31" diameters. Two lamping options are available; universal voltage or line voltage 120V self ballasted dimmable lamps. Bowl is matte white acrylic with open top. Aircraft cable adds further decorative detail to the appearance of the product. Overall height of finished product is 24" with a minimum dimension of 18"; stem kit includes 12" and 24" increments, which can produce an overall height of up to 57". Product is provided with a swivel hang straight to accommodate up to a 15-degree slope ceiling. Fixture mounts to a standard junction box (not included).

Construction

Gear plate is die-formed of 20-gauge steel. Geometric bands are .060" extruded aluminum that is fastened to vertical supports. Power supply connections must be made inside a junction box (not included).

Finish

Gear plate is finished in lighting grade white baked gloss enamel paint. Satin aluminum bands have a clear lacquer topcoat.

Diffuser

Diffuser is .135" thick matte white acrylic vacuum-formed bowl.

Electrical

This unit can be ordered in one of two options: a UL listed electronic high power factor instant start ballast for 120-277V 50/60 Hz AC operation or line voltage socket for GU24 self-ballast dimmable lamps.

Lamping

Universal ballast lamping is ballasted for 4/13 watt for the 24" diameter and 6/13 watt for the 30" diameter; lamps are supplied by others. Line voltage version includes lamps and is provided with 4/20 watt self ballasted 2700K spring lamps and 6/20 watt for the 30" diameter.

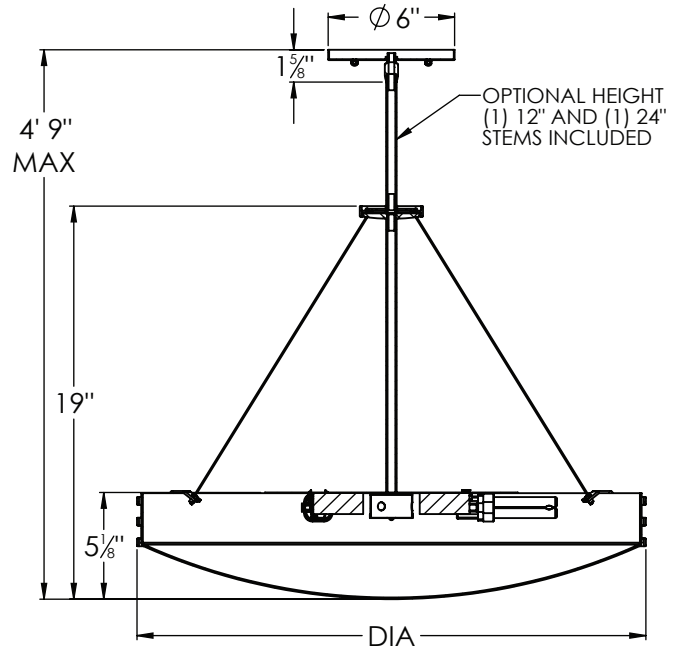

Certification

All fixtures are cULus listed for damp locations.

Options

- 18 or 26 watt lamping
- Custom finishes
- ENERGY STAR qualified with GU24 non-dimmable lamp
