

DESCRIPTION

The Century vanity is accented with cast aluminum clips finished in polished nickel and a white acrylic diffuser for 2-17W, 2-25w and 2-32w linear fluorescent lamps.

CONSTRUCTION

Housing, cover and ends are die formed of 22 gauge cold rolled steel. Standard mounting holes and wiring knockouts are included. Decorative accents are die cast aluminum.

FINISH

Housing, cover and ends are finished in lighting grade white baked gloss enamel paint. Decorative accents have a polished nickel finish.

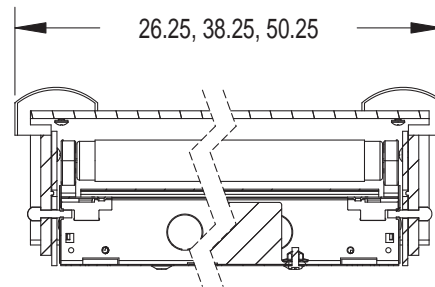

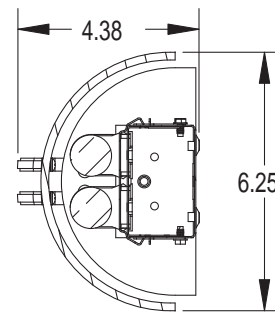

DIFFUSER

The one-piece lens extruded is made from translucent 100% virgin acrylic. The Lens is screwed to the decorative accents and fastened with screws to the endcaps.

ELECTRICAL

All units are wired with electronic U.L. listed high power factor, Class P, instant start ballast for 120 volt, 60 hertz A.C. operation. Lampholders are rotating lock, medium bi-pin type. All fixtures are U.L. listed for DAMP location.
