

## DESCRIPTION

These surface fixtures feature fiber board trim with a matte white vinyl clad finish and a smooth white acrylic diffuser. KWWL models feature a decorative lattice pattern over the diffuser. Each style is available in three sizes which use (2) 48" lamps, (4) 48" lamps, or (2) 6" U lamps.

## CONSTRUCTION

Housing, cover and ends are die formed of 22 gauge cold rolled steel. Standard mounting holes and standard wiring knockouts are included, with an extra 2" diameter center knockout on the back for wiring entry.

## FINISH

Housing interior and exterior are finished in lighting grade white baked gloss enamel paint.

## DIFFUSER

Lens is a one-piece extruded smooth flat lens of translucent white 100% virgin acrylic, .080" thick. The frame and lattice pattern on the KWWL models are constructed of medium density fiberboard with a smooth white vinyl laminate wrap on all exposed surfaces. The entire frame attaches to the housing with a pre-installed bracket inside one end and one #8 screw through other end.

## ELECTRICAL

All units with model numbers ending in ES are wired with U.L. listed high power factor, rapid start, Class P, energy saving (ES) full light output,  $\text{E}$  ballasts, for 120 volt, 60 hertz A.C. operation. Lampholders are rotating lock, medium bi-pin type. All fixtures are U.L. listed.

## OPTIONS

Alternate clear flat prismatic or white drop-dish diffuser available (contact factory). For ballast upgrades and options, refer to back of guide. Other voltages, listings, and ratings available on request (contact factory).
