

DESCRIPTION

These oval shaped fixtures have a decorative sculptured frame with a saucer shaped smooth white diffuser to provide a oval skylight appearance. Available in two different finishes, oak and white. Both units use (3) T12 48" lamps.

CONSTRUCTION

Housing, cover and ends are die formed of 22 gauge cold rolled steel. Standard mounting holes and standard wiring knockouts are included, with an extra 2" diameter center knockout on the back for wiring entry.

FINISH

Housing interior and exterior are finished in lighting grade white baked gloss enamel paint.

DIFFUSER

The lens is formed of 100% virgin translucent white acrylic, into a skylight dome shape with a smooth finish. Thickness is .100". Trim band frame is made of extruded expanded polymer and is finished in white gloss enamel (RPW), or a faux Oak wood grain finish (RPK), then glued and screwed to the diffuser. The lens has four steel hanging clips which lift and shift onto a lip running the entire length of both sides of the housing.

ELECTRICAL

All units are wired with U.L. listed high power factor, rapid start, Class P, (RE) reduced energy Ⓢ ballasts, for 120 volt, 60 hertz A.C. operation. Lampholders are rotating lock, medium bi-pin type. All fixtures are U.L. listed.

OPTIONS

For ballast upgrades and options, refer to back of guide. Other voltages, listings, and ratings available on request (contact factory).
