

KW/KWL SERIES

DESCRIPTION

These surface fixtures feature solid oak trim and a smooth white acrylic diffuser. KWL models feature a solid oak lattice pattern over the diffuser. Each style is available in five sizes which use (2) 24" lamps, (2) 48" lamps, (4) 24" lamps, (4) 48" lamps or (2) 6" U lamps.

CONSTRUCTION

Housing, cover and ends are die formed of 22 gauge cold rolled steel. Standard mounting holes and standard wiring knockouts are included, with an extra 2" diameter center knockout on the back for wiring entry.

FINISH

Housing interior and exterior are finished in lighting grade white baked gloss enamel paint.

DIFFUSER

Lens is a one-piece extruded smooth flat lens of translucent white 100% virgin acrylic, .080" thick. The wooden frame is constructed of solid oak decorative molding trim. KWL models feature a solid oak lattice pattern on the face. All exterior wood surfaces are stained medium oak. The entire frame attaches to housing with a pre-installed bracket inside one end and one #8 screw through other end.

ELECTRICAL

All units with model numbers ending in ES are wired with U.L. listed high power factor, rapid start, Class P, energy saving (ES) full light output, E ballasts, for 120 volt, 60 hertz A.C. operation.

All non-rapid start units have trigger start, normal power factor ballasts. Lampholders are rotating lock, medium bi-pin type. All fixtures are U.L. listed.

OPTIONS

Available in unfinished wood ready for custom staining or painting at jobsite (contact factory). Alternate clear flat prismatic diffuser available (contact factory). For ballast upgrades and options, refer to back of guide. Other voltages, listings, and ratings available on request (contact factory).
